ABSTRACT CODE: 1

ABSTRACT:

Novel +8 7-(3-disubstituted amino)phenyl+9 pyrazolo+8 1,5-a+9 pyrimidines !  
useful as anxiolytic, antiepileptic !   
and sedative-hypnotic agents as well as skeletal muscle !  
relaxants, methods of using these compounds, compositions !  
of matter containing them and processes for their production. !
